But it's very confusing I'm not computer savy at all My partner is and is very good but it even confuses her.. GTR 2 v1 1 Digital Download 10 Skins for the GTR2 Audi Sportwagen Mod I recently stepped up to PC Sims.. Also, some may be 'questionable' considering their origin, or if they were 'copied' from somewhere else.. For a bit of added immersion I'm after the Fia GT 2005,06,07,08 and 09 I've seen these about on drivingitalia etc and became a member to download them.. 0 Si ho capito!!!ma dove trovo la sezione download per gtr2????? Or any suggestions on similar easy to install GT/Le Mans mods Popular GT2 Mod Sites I'm not going to list any sites here, or promote them.. Do a Google search for GTR2 Mods, and you should find at least three or four sites.. There's a couple of good German sites with a few hundred mods DrivingItalia is probably the least-managed of the download sites.. GTR 2 FIA GT Racing Game - game update v 1 1 Download - Download SimHQ brings news of a second version of the FIA GT 2005 mod for GTR has been released, meaning that GTR now has a more up-to-date car selection than GTR2 will when it is released later this summer!Where to find a good Focus T25 torrent?
